At DRG we specialise in working with fast scale up businesses across a wide variety of sectors. We enjoy working closely with our clients as they grow their initial idea into an established thriving business.

Our vast experience means we understand the many and varied challenges that entrepreneurs face. From advice on financial software or assistance with fund raising and working capital management to monthly and annual accounting and tax services, we are always on-hand to support our clients whether it's a financial, commercial or practical business question.

The transition from a start-up to a successful business requires a broad skill set and the support of trusted advisors. If you are thinking about setting up a new business please do get in touch. We would be very interested to hear about your idea and discuss how we can help and work together.

What our clients say

"We've been working with Donald Reid for about 9 months and I must say there are nothing but positive things to say about them! Being a clueless first-time business owner, they've been consistently patient with explaining (basic) things, understanding when it comes to a Start-up's needs and unbelievably quick to respond. Genuinely - unbelievable! I was recommended to work with Donald Reid by a friend and I must say, I'd recommend them to anybody that wants peace of mind their accounts are in good order"

Paul Bennett - Perch Peek

"We are lucky to have an accountant who is such a foodie, we usually spend more time talking about our latest event and the food we served than the numbers but that is the way we like it. With more than fifteen years of accountancy and bookkeeping experience Brandon has streamlined the process with the latest tech, and he makes an awesome vegan brownie!"

Mark Jankel, The Food Initiative

"We have worked with Oli and DRG from the day the company was incorporated. The quality of advice and range of services the team has provided have been first class, and always evolved to best suit our needs as we have rapidly grown. I have recommended Oli and DRG numerous times and will continue to do so. We could not be happier with them."
